## EDUCATION

### -elementary school

Dammam

2011 - 2016

### -secondary school

Canada - Vancouver

2017 - 2019

### -high school

Dammam

2019 - 2022

### -Imam Abdul Rahman bin Faisal University

Dammam

Mechanical and Energy Engineering

I am still studying in the third year

## SKILLS

- Management Skills
- Creativity
- Critical Thinking
- Leadership
- development
- Mastery of work
- Work in a team
- Academic research
- Thinking about engineering projects
- Explanation skill

## EXPERIENCE

### VICE PRESIDENT OF THE STUDENT COUNCIL

- We are the link between the administration and the student and we perform many tasks.

08/2024

### Science Competition Team Leader

- The scientific poster exhibition in which I competed with the college staff and won first place.

12/2023

### Head of the Events Committee, Faculty of COE

- Preparing, planning and implementing specialized events in engineering matters

10/2023

## ENGINEERING SKILLS

- AUTOCAD
- DESIGN
- USE 3D PRENTER
- Project implementation

## LANGUAGE

- English
