

# SAJAD ALSADAH

056 865 8040 ■ 2220005498@iau.edu.sa ■ 26/10/1424 ■ Saudi

## PROFESSIONAL SUMMARY

Highly motivated Energy & Mechanical Engineer with excellent communication, leadership, and project management skills. Skilled in leveraging technical tools and standards (IEEE) to deliver innovative energy solutions. Adept at working under pressure, mentoring peers, and driving results in dynamic work environments.

## EDUCATION

■ **BACHELOR OF SCIENCE (B.S.) IN ENERGY & MECHANICAL ENGINEERING [ONGOING STUDIES]** Current GPA 4.114  
Imam Abdulrahman Bin Faisal University, Damam

**Relevant Coursework**

- Renewable Energy
- Machine Design
- Heat Exchangers Design

## TECHNICAL SKILLS

- Software: AutoCAD, MATLAB, RETScreen Expert, Multisim, Microsoft Office Suite
- Programming: Proficient in C and C++
- Standards & Practices: Familiar with IEEE

## LANGUAGES

- **Arabic**  
Advanced
- **English**  
Good

## SEMINARS

- Certificate in the seminar (What’s New in Matlab) presented by MathWorks [Available upon request]
